Dear Sirs,

<u>SUB</u>:Compliance with regard toRegulation 53 of SEBI (Listing Obligations and Disclosure Requirement) Regulations, 2015 ('Listing Regulations')

Pursuant to Regulation 53 of SEBI (Listing Obligations and Disclosure Requirement) Regulations, 2015, we hereby submit the Annual Report for the financial year 2022-23 together with the comments of the Comptroller and Auditor General of India (C & AG) received on November 10th, 2023 and taken note of by the Board of Directors in their meeting dated 06th December 2023 and adopted by the shareholders of the Company in the Annual General Meeting held on Wednesday, 6th December 2023.

Thanking You,

For Andhra Pradesh Power Finance Corporation Limited

M Ramana Reddy

Chief Financial Officer

COMMENTS OF THE COMPTROLLER AND AUDITOR GENERAL OF INDIA UNDER SECTION 143(6)(b) OF THE COMPANIES ACT, 2013 ON THE FINANCIAL STATEMENTS OF M/s ANDHRA PRADESH POWER FINANCE CORPORATION LIMITED FOR THE YEAR ENDED 31 MARCH 2023.

The preparation of financial statements of M/s Andhra Pradesh Power Finance Corporation Limited for the year ended 31 March 2023 in accordance with the financial reporting framework prescribed under the Companies Act, 2013 (Act) is the responsibility of the management of the Company. The Statutory Auditors appointed by the Comptroller and Auditor General of India under Section 139(5) of the Act are responsible for expressing opinion on the financial statements under Section 143 of the Act based on independent audit in accordance with the standards on auditing prescribed under Section 143(10) of the Act. This is stated to have been done by them vide their Audit Report dated 22.08.2023.

I, on behalf of the Comptroller and Auditor General of India, have conducted a supplementary audit of the financial statements of M/s Andhra Pradesh Power Finance Corporation Limited for the year ended 31 March 2023 under Section 143(6)(a) of the Act. This supplementary audit has been carried out independently without access to the working papers of the Statutory auditors and is limited primarily to inquiries of the Statutory auditors and Company personnel and a selective examination of some of the accounting records.

Based on my supplementary audit, I would like to highlight the following significant matters under Section 143(6)(b) of the Act which have come to my attention and which in my view are necessary for enabling a better understanding of the financial statements and the related Audit Report:

A. Comments on Profitability

Statement of Profit and Loss

Expenses

Impairment on Financial Assets (Note 23): NIL

1(a). Balance of loans amounting to ₹13901.19 crore (Note-6) as on 31.03.2023 includes ₹570.50 crore and ₹810.75 crore loans given to APGENCO and APPDCL respectively. 'Provision on Standards Assets' @0.40% required to be created against such loan amount as per the RBI/DNBR/2016-17/45, Master Direction DNBR.PD.008/03.10.119/2016-17 was provided as disclosed under Note-32. As per the Board vide 178th meeting held on 31.03.2023 resolved to extend the moratorium period by one year, the above said loans were restructured.

As per master direction read with Prudential Framework for Resolution of Stressed Assets (DBR.No.BP.BC.45/21.04.048/2018-19 dated 07.06.2019) 'restructuring' includes alteration in the payment period. Hence, upon restructuring of the said two loans, such assets should have been reclassified as the Sub-standard assets and provision on the Sub-standard assets @10% should have been recognized as per the provisions of Para 12 and 13 of the Master direction of RBI. Accordingly, the balance short provision for the sub-standard assets @9.60% on these two loans works out to ₹132.60 crore (after netting the 0.40%). This resulted in understatement of the Provision for Standard Assets by ₹132.6 crore with corresponding overstatement of Profit for the year to that extent.

1(b). Though the Prudential Framework for the Resolution of Stressed Assets requires the Company to mandatorily disclose the information relating to the number and amount of advance restructured under Notes on Accounts, the same has not been disclosed by the Company.

Revenue from Operations Other Income (Note 20): ₹4.09 lakh

2. The above does not include ₹19.19 lakh (excluding GST amount of ₹3.46 lakh) towards preclosure charges at the rate of 0.5% on ₹45.30 crore (out of total ICD of ₹500 crore) of Inter Corporate Deposits (ICDs) withdrawn by Andhra Pradesh Solar Power Corporation Private limited before maturity date. There was neither disclosure of such waiver nor approval of the competent authority / Board of Directors of the Company for waiver of pre-closure charges as on reporting date. Thus, omission to account for the pre-closure charges resulted in understatement of Receivables by ₹22.65 lakh (including GST amount of ₹3.46 lakh) and Profit for the year by ₹19.19 lakh.

B. Comments on Disclosure

3. The Company recognized interest income of ₹40641.19 lakh towards as interest serviced by the Government of Andhra Pradesh (GoAP) towards Debt Securities, though the GoAP was neither borrower nor any loan was outstanding from the State Government as per Note-6 (Loans). Hence, the Company should have disclosed the basis for receiving the interest from the Government and the nature of income extent of ₹40641.19 lakh, apart from disclosure in Note-37A.

4. As per the RBI Master direction dated 01.09.2016, NBFC shall recognize incipient stress in loan accounts, immediately on default, by classifying such assets as special mention accounts (SMA) as per categories considering the period for which principal or interest payment or any other amount wholly or partly overdue. Though ageing schedule of the trade receivables was disclosed, the Company has not adhered to the provisions of RBI Master direction, since loans assets on which the amount of interest and principal has not been received during the last 6 months was neither disclosed nor classified as SMA.

D. Other Comments

5. Reference is invited to **Note 46-**Corporate Social Responsibility (CSR). As per Para 10(vi) of General Instructions for preparation of Profit and Loss Statement under Division-III of Schedule III to the Companies Act 2013, the Company shall disclose, *inter alia*, the nature of CSR activities and details of Related Party Transactions with regard to CSR activities. Non-disclosure of the same resulted in deviation from Schedule-III to the Companies Act, 2013.

C & AG Comment	Reply of the Management of the Company
A. Comments on Profitability Statement of Profit and Loss Expenses Impairment on Financial Assets (Note No 23): NIL Loans (Note-6): Rs. 13,90,118.69 lakh 1. As per Para-14 read with Para 17(1) of RBI Master direction dated 01.09.2016, the provision of 0.4% created against outstanding amount of the Standard assets (Rs. 1390118.69 lakh) shall be disclosed distinctly without netting them against the corresponding Assets. However, the Company disclosed the 'provision' created under the said RBI direction as 'Impairment loss allowance' which is rather required under Ind AS 109 and adjusted with the Loans, instead of disclosing the same 'provision' explicitly under Provision (Note-15) under Non-Financial Liabilities. Hence, incorrect classification and adjustment resulted in understatement of Provisions (Note-15) and understatement of Loans by Rs. 7339.92 lakh.	With reference to your comment, we have referred Para 17(1) of the RBI circular dated 01.09.2016 and we understand that Provision on Standard Assets shall be disclosed distinctly without netting them against the corresponding Assets. However, there is no impact of the same on the financial position of the company. We undertake to record Provision on Standard Assets distinctly under liabilities in the subsequent financial years. We request you to kindly consider and drop the para.
Revenue from Operations Other Income (Note 20): Rs. 4.09 lakh 2. The above does not include Rs. 19.19 lakh (excluding GST amount of Rs. 3.46 lakh) towards pre-closure charges at the rate of 0.5% on Rs. 45.30 crore (out of total ICD of Rs. 500 crore) of Inter Corporate Deposits (ICDs) withdrawn by Andhra Pradesh Solar Power Corporation Private limited before maturity date. There was neither disclosure of such waiver nor approval of the competent authority / Board of Directors of the Company for waiver of pre-closure charges as on reporting date. Thus, omission to account for due pre-closure charges resulted in understatement of Receivables by Rs. 22.65 lakh and profit for the year by Rs. 19.19 lakh.	Management would like to bring to your notice that proposal was received from AP Solar Power Corporation Limited in June 2022 for non levy of any pre - closure charges for pre mature withdrawals from June 2022. The proposal was reviewed, discussed and after due considerations, management had decided to consider the proposal favorably and accordingly no foreclosure charges were levied for pre closure made after 1 st June, 2022. In consideration to the above facts, we would like to confirm that there is no understatement of revenue or receivables in the books of accounts since foreclosure charges have been waived off by the management and a resolution in this regard shall be submitted to you at the earliest. In view of the above, the para may kindly be dropped as there has been no understatement of other income or understatement of receivables.

B. Comments on Disclosure 3. The Company recognized interest income of Rs. 40,641.19 lakh towards interest serviced by the Government of Andhra Pradesh (GoAP) towards Debt Securities, where the GoAP was neither in the list of borrowers nor any loan outstanding from the State Government as per Note-6 (Loans). However, the Company has not disclosed the basis for receiving the interest from the Government and the nature of income extent of Rs. 40,641.19 lakh, except disclosure in Note-37A			With reference to your comment, we bring to your kind notice that APPFCL has issued Bonds and such proceeds are lent to the Power utilities and the GoAP is discharging the amount on behalf of the power utilities. Hence, the interest amount received from the Government is classified as interest income and the corresponding expenditure(Interest paid on Bonds) is classified as interest expenditure. Interest income received from GoAP of Rs. 40,641.19 lakhs relatesto interest on loan outstanding of Rs. 3,72,561.53 lakhs given to APDISCOMs as mentioned in point "e" in Foot note of "Note 6- Loans" – Loans and advances to AP DISCOMs – Receivable from Govt. of AP (Bonds). We request you to kindly consider and drop the para.		
4. As per the RBI Master direction dated 01.09.2016, NBFC shall recognize incipient stress in loan accounts, immediately on default, by classifying such assets as special mention accounts (SMA) as per the following categories:		mmediately on default,	As per Division-III of Schedule III to the Companies act 2013, trade receivables are classified under less than 6 months category. However all the trade receivables amounting to Rs. 166.81 crore are less than 30 days outstanding which fall under SMA-0 sub category as per RBI Master direction dated 01.09.2016.		
SMA Sub- categories	Basis for classification – Principal or interest payment or any other amount wholly or partly overdue		In view of the above the para may kindly be dropped.		
SMA-0	Upto 30 days				
SMA-1	More than 30 days and upto 60 days				
SMA-2 More than 60 days and upto 90 days					
As per the ageing schedule of the trade receivables, the Company					
has interest receivable on advances since last 6 months amounting					
to Rs. 166.81 crore. However, the Company has not adhered to provisions of RBI Master direction, since loans assets on which the					
	erest and principal has not be				
	was neither disclosed nor class				

Other Comments	
5. Reference is invited to Note 46 -Corporate Social Responsibility (CSR). As per Para 10(vi) of General Instructions for preparation of Profit and Loss Statement under Division-III of Schedule III to the Companies act 2013, the Company shall mandatorily disclose, among other things, the nature of CSR activities and details of Related party transactions with regard to CSR activities. Non-disclosure of the same has resulted in deviation from Schedule-III to the Companies act 2013.	During the year under consideration company has spent Rs. 214.22 Lakhs for infrastructure development of Dhone municipality under CSR activity and there are no related party transactions relating to CSR activity. Accordingly Note 46 is updated in the financial statements.

INDEPENDENT AUDITOR'S REPORT

To the Members of

ANDHRA PRADESH POWER FINANCE CORPORATION LIMITED

Report on Ind AS Financial Statements

Qualified Opinion

We have audited the accompanying Ind AS financial statements of M/s. Andhra Pradesh Power Finance Corporation Limited ("the Company"), which comprise the Balance Sheet as at 31st March 2023, the Statement of Profit and Loss, (including the statement of Other Comprehensive Income), Statement of changes in Equity and the Cash Flow Statement for the year then ended, and notes to the Ind AS financial statements, including a summary of significant accounting policies and other explanatory information (hereinafter referred to as "the Ind AS Financial Statements").

In our opinion and to the best of our information and according to the explanations given to us, except for the effects or the possible effects of the matters described in the 'Basis for Qualified Opinion' section of our report, the aforesaid Ind AS financial statements give the information required by the Companies Act, 2013, as amended ('the Act') in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the company as at March 31, 2023, its profit including other comprehensive income, its cash flows and changes in equity for the year ended on that date.

Basis fcr Qualified Opinion

I. As described in "Note 41" to the financial statements, company has a liability to pay guarantee commission of Rs. 31,482.66 Lakhs to the Government of Andhra Pradesh(GoAP) as per guidelines issued on guarantees by GoAP vide G.O.MS.No.446 dated 29.09.2003, out of which company has provided and paid Rs. 3,000.00 Lakhs in the financial year ended March 31,2022 and provided for Rs. 1,000.00 Lakhs in the current financial year ended March 31, 2023, balance guarantee commission of Rs. 27,482.66 Lakhs has not been provided by the company. Failure to do so has resulted in understatement of guarantee commission under the head "Fees and commission expense" and "Other financial liabilities" by Rs. 27,482.66 Lakhs [i.e., Rs. 31,482.66 lakhs – Rs. 3,000.00 Lakhs – Rs. 1,000.00 Lakhs]. Had the balance guarantee commission of Rs. 27,482.66 Lakhs been provided, the profit before tax amounting to Rs. 24,204.60 Lakhs for the financial year ended March 31, 2023 would have been loss before tax of Rs. 3,278.06 Lakhs.

1-11-256, Street No. 1, "Wall Street Plaza", 6th Floor, Adj. to Begumpet Airport Road, Begumpet, Hyderabad-500 016, Telangana, India. Tel.: 27844610, 27897172, 27897173, 27846130 We conducted our audit of the Ind AS Financial statements in accordance with the standards on auditing specified under section 143 (10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the auditor's responsibilities for the audit of the Ind AS financial statements section of our report. We are independent of the Company in accordance with the code of ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the Ind AS Financial Statements under the provisions of the Act and the rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the code of ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our qualified opinion on the Ind AS financial statements.

Key Audit Matters

Key Audit Matters ("KAM") are those matters that, in our professional judgment, were of most significance in our audit of the Ind AS financial statements of current period. These matters were addressed in the context of our audit of the Ind AS financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. Our description of how our audit addresses the matter is provided in that context.

We have determined the matters described below to be the key audit matters to be communicated in our report. We have fulfilled the responsibilities described in the Auditor's responsibilities for the audit of Ind AS financial statements section of our report, including in relation to these matters. Accordingly, our audit included the performance of procedures designed to respond to our assessment of the risks of material misstatement of the Ind AS financial statements. The results of our audit procedures, including the procedures performed to address the matters below, provide the basis for our audit opinion on the accompanying Ind As financial statements.

Key Audit Matters are as follows

Impairment loss / Provisioning on advances

Key Audit Matter	How our audit addressed the key audit matter
Impairment allowance is measured as product of the Probability of Default, Exposure at Default and Loss Given Default being the key parameters for assessing the impairment allowance. The key indicators underlying for assessment of impairment allowance are appraised on an ongoing basis by the management.	Verification of loan assets with respect to monitoring thereof for recovery/performance aspects and assessment of the loan impairment. Recoveries are verified applying the standard audit procedures. Quality of the borrower is evaluated and tested with key control parameters.
	Assessment of performance of the loan assets is carried out on the basis of available documents comprising loan papers, financial data, information on public domain, procedure applied by the management e.g. inspection of loans, assessing borrower past records etc.

Recoveries in the loan assets are verified to ascertain level of stress thereon and impact as impairment allowance on financial statement.
We have discussed with the management regarding the repayment capacity of the borrower and management is confident on the credit worthiness of the borrower as all of them are public sector undertakings and backed by GoAP guarantee.

Emphasis of Matter

1. We draw attention to the fact that the company is in non-compliance of Section 125 of the Companies Act, 2013 read with Rule 5 of the Investor Education and Protection Fund Authority (Accounting, Audit, Transfer and Refund) Rules, 2016 as it has failed to transfer unpaid/unclaimed interest amounting to Rs. 14.45 Lakhs which is required to be transferred to IEPF account on the date of AGM.

However, our opinion is not modified in respect of this matter

Other Matters

- 1. We draw attention to the fact that the company is currently in non-compliance of section 203 of the Companies Act, 2013 with regards to vacancy of a full-time Company Secretary (CS), following the resignation of the previous CS. As per the Act, a company is required to appoint a full-time CS within six months of the previous CS's resignation. Although we have been given to understand that the company is in the process of appointing a new CS, until such an appointment is made, the company remains in violation of section 203 of Companies Act 2013.
- 2. We draw attention to the fact that currently the company has no women director leading to non-compliance of section 149(1) of the Companies Act, 2013 as company is required to have at least one women director.
- 3. We draw attention to the fact that currently the company has no independent directors leading to non-compliance of section 149(4) of the Companies Act, 2013 as company is required to have at least one third of the total directors as Independent directors.

However, our opinion is not modified in respect of these matters.

Responsibilities of management and those charged with governance for the Ind AS Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these Ind AS financial statements that give a true and fair view of the financial position, financial performance including other comprehensive income, changes in equity and cash flows of the Company in accordance with accounting principles generally accepted in India,

including the Indian Accounting Standards (Ind AS) specified under Section 133 of the Act, read with the Companies (Indian Accounting Standards) Rules, 2015, as amended.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Ind AS financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the audit of the Ind AS Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Ind AS financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.

- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report.
- However, future events or conditions may cause the Company to cease to continue as a going concern. Evaluate the overall presentation, structure and content of the Ind AS financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the Ind AS financial statements for the financial year ended March 31, 2023 and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

- 1. As required by the Companies (Auditor's Report) order, 2020("the order") issued by the Central Government of India in terms of sub-section (11) of Section 143 of the Act, we give in the **Annexure A**, a statement on the matters specified in paragraphs 3 and 4 of the order.
- 2. As required by Section 143(3) of the Act, we further report that;
 - a. We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit;
 - b. In our opinion proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books;
 - c. The Balance Sheet, the Statement of Profit and Loss including the Statement of other Comprehensive income, Statement of Changes in Equity and the Cash Flow Statement dealt with by this report are in agreement with the books of account;

- d. In our opinion, the aforesaid Ind AS financial statements comply with the accounting standards referred to in Section 133 of the Act, read with Companies (Indian Accounting Standards) Rules, 2015, as amended;
- e. As per notification number G.S.R. 463(E) dated June 5, 2015 issued by Ministry of Corporate Affairs, Section 164(2) of the Act regarding the disqualifications of Directors is not applicable to the Company, since it is a Government Company;
- f. With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate report in **Annexure B**;
- g. As required by Section 143(5) of the Act, we have considered the directions/ sub directions issued by the Comptroller and Auditor General of India, the action taken thereon and its impact to the financial statements of the Company are given in the **Annexure C**.
- h. As per notification number G.S.R. 463 (E) dated June 5, 2015 issued by Ministry of Corporate Affairs, Section 197 of the Act regarding remuneration to director is not applicable to the Company, since it is being a Government Company; and
- i. With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended in our opinion and

to the best of our information and according to the explanations given to us:

- i. The Company does not have any pending litigations which would impact its financial position other than those disclosed.
- ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses;
- iii. There has been an occasion during the year in delay of transfer Rs 14,45,210. /- to the Investor Education and Protection Fund being interest on Government Bonds remaining unpaid beyond 7 years. Amount of Rs. 14,45,210/- is still pending as at Audit Report date.
- iv. a) The management has represented that, to the best of its knowledge and belief, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the company to or in any other person or entity, including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediaries shall, whether, directly or indirectly lend or invest in other person or entity identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;

b) The management has represented that, to the best of its knowledge and belief, no funds have been received by the company from any person or entity, including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the company shall, whether, directly or indirectly, lend or invest in other person or entity identified in any manner whatsoever by or on

behalf of the Funding Parties ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries; and

c) Based on the audit procedures that were considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (a) and (b) contain any material misstatement.

v. The provisions of section 123 of the Companies Act, 2013 are not applicable as the company does not declare any dividend.

"Annexure A" to the Independent Auditors Report

[Referred to in paragraph 1 under the heading 'Report on Other Legal & Regulatory Requirements' of our report of even date to the Ind AS financial statements of the Company for the year ended 31st March, 2023]

In terms of the information and explanations sought by us and given by the company and the books of account and records examined by us in the normal course of audit and to the best of our knowledge and belief, we state that:

- i) In respect of the property, plant & equipment of the Company:
 - (a) The Company has maintained proper records showing full particulars, including quantitative details and situation of property, plant & equipment.
 The Company has maintained proper records showing full particulars of intangible assets.
 - (b) All property, plant and equipment have not been physically verified by the management during the year but there is a regular programme of verification which, in our opinion is reasonable having regard to the size of the Company and the nature of its assets. No material discrepancies were noticed on such verification.
 - (c) According to the information and explanations given to us, the Company has no immovable property. Accordingly, the provisions of clause 3(i)(c) of the Order are not applicable to the Company and hence not commented upon.
 - (d) The Company has not revalued its property, plant and equipment (including right of use assets) or intangible assets during the year ended March 31, 2023.
 - (e) There are no proceedings initiated or are pending against the Company for holding any benami property under the Prohibition of Benami Property Transactions Act, 1988 and rules made thereunder.
- ii) (a) The Company is a Non-Banking Finance Company and does not have any inventory. Thus, clause 3(ii) (a) of the Order is not applicable to the company and hence not commented upon.

(b) During the year the company has been sanctioned working capital limits in excess of Rupees five crores in aggregate, from banks or financial institutions on the basis of security of current assets. On verification of the monthly/Quarterly statements filed by the company with such banks or financial institutions, they are in agreement with the books of accounts.

iii) (a) The principal business of the Company is to give loans, hence the requirement to report on clause 3(iii) (a) of the Order is not applicable to the Company.

(b) During the year the investments made, guarantees provided, security given and the terms and conditions of the grant of all loans and advances in the nature of loans, investments and guarantees to companies, firms, LLPs, or any other parties are not prejudicial to the Company's interest.

(c)In respect of loans and advances in the nature of loans granted by the Company, the schedule of repayment of principal and payment of interest has been stipulated.

(d) There are no amounts of loans and advances in the nature of loans granted to companies, firms, LLPs, or any other parties which are overdue for more than ninety days.

Annexure - "B" to the Auditors' Report

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of M/s. **Andhra Pradesh Power Finance Corporation Limited** ("the Company"), as of 31st March 2023 in conjunction with our audit of the Ind AS financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting with reference to these Ind AS Financial Statements based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial ("The Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under sub-section 10 of section 143 of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting with these Ind AS financial statements was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting with reference to these Ind AS financial statements.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) Provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting with reference to these standalone Ind AS financial statements to future periods are subject to the risk that the internal financial control over financial reporting with reference to these standalone Ind AS financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting with reference to these Ind AS financial statements and such internal financial controls over financial reporting with reference to these Ind AS financial statements were operating effectively as at 31st March 2023, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

1. Corporate Information:

Andhra Pradesh Power Finance Corporation Limited (APPFCL) was incorporated, pursuant to the Andhra Pradesh GO (Government Order) Ms. No. 54, dated 19/05/2000, as a Government Company under the Companies Act 1956, on 12th July, 2000 and had commenced its business on 13th July, 2000 and also obtained, the Certificate of Registration from the Reserve Bank of India as a Non-Banking Financial Institution under the Reserve Bank of India Act 1934, vide letter no. DNBS (H) No. 714/04.039/2000-2001, dated August 25th 2000. The main object of the Company includes providing Long Term Finance to those enterprises wholly engaged in the business of development, maintenance and operation of power and other activities related thereto including but not limited to generation, transmission, distribution facility viz., GENCO, TRANSCO, DISCOMs.

2. Significant Accounting Policies

(i) Basis of Preparation and Presentation

(a) Statement of Compliance

The financial statements of the company have been prepared as a going concern in accordance with the Indian Accounting Standard ('Ind AS'), notified under sec. 133 of the Companies Act, 2013 read with the Companies (Indian Accounting Standards) Rules, 2015(as amended from time to time) These financial statements may require further adjustments, if any, necessitated by the guidelines/clarification/directions issued in the future by RBI, Ministry of Corporate Affairs, or other regulators, which will be implemented as and when the same are issued and made applicable.

In Addition, the Guidance notes and Announcements issued by the Institute of Chartered Accountants of India are also applied, except where the compliance with other statutory provisions requires difference treatment.

(b) Accounting Convention:

The Financial Statements have been prepared under the historical cost convention except for financial instruments that are measured at fair value at the end of each reporting period. The Company generally follows the mercantile system of accounting and recognizes significant items of income and expenditure on accrual basis.

(c) Revenue Recognition:

As per Ind AS 109, interest income from financial assets is recognized on an accrual basis using effective interest rate method (EIR). The effective interest rate method is the rate that exactly discounts estimated future cash receipts (including all fees, transaction costs and other premiums or discounts paid or received) through the expected life of the financial instrument to the carrying amount on initial recognition.

Thus, Interest Income is recognized by applying the effective interest rate (EIR) to the gross carrying amount of financial assets other than credit–impaired assets and financial Assets classified and measured at FVTPL.

(d) Finance Costs

As per Ind AS 109, finance cost i.e. interest expense from financial liabilities is recognized on accrual basis using effective interest rate method (EIR). The effective interest rate method is the

rate that exactly discounts estimated future cash payments (including all interest payments and guarantee commission) through the expected life of the financial instrument to the carrying amount on initial recognition.

The company accounts for the interest expenditure on various series of bonds, term loan from banks and inter corporate deposits in the Statement of Profit & Loss as per Ind AS 109.

(e) Financial Instruments:

A financial instrument is any contract that gives rise to a financial asset for one entity and a financial liability or equity instrument for another entity. Financial assets and financial liabilities are recognized when the Company becomes a party to the contractual provisions of the instruments.

(f) Financial Assets / Liabilities

Financial assets and financial liabilities are initially measured at fair value. Transaction costs directly attributable to the acquisition of financial assets or financial liabilities measured at fair value through profit or loss. Transaction costs directly attributable to the acquisition or issue of financial assets and financial liabilities that are measured at amortized cost are added to or deducted from the fair value of the financial assets or financial liabilities, as appropriate, on initial recognition.

Classification of financial instruments

The Company classifies its financial assets into the following measurement categories:

- 1. Financial assets to be measured at amortized cost
- 2. Financial assets to be measured at fair value through other comprehensive income
- 3. Financial assets to be measured at fair value through profit or loss account.

The classification depends on the contractual terms of the financial assets, cash flows and the Company's business model for managing financial assets.

(g) Measurement of Financial Instruments:

1. At amortized cost

A financial asset is measured at amortized cost only if both of the following conditions are met:

- (a) The assets are held within a business model whose objective is to hold them to collect contractual cash flows and
- (b) The contractual terms of the financial assets give rise on specified dates to cash flows that are solely payments of principal and interest on the amount

2

Such Financial assets are subsequently measured at amortized cost using the, effective interest rate method.

The loans and advances given to AP Discom's were measured at amortized cost, since it satisfies both the conditions specified above.

27. Property, Plant and Equipment:

The property, plant and equipment are the assets held for use in the supply of services.

Cost:

Property, plant and equipments are stated in the balance sheet at cost (net of duty/ tax credit availed) less accumulated depreciation and accumulated impairment losses. Cost of acquisition is inclusive of freight, non-refundable duties & taxes and other directly attributable cost of bringing the asset to its working condition for the intended use. Company does not hold any immovable property.

28. Depreciation:

Depreciation on fixed assets is provided on straight-line basis at rates prescribed in schedule II of the Companies Act, 2013. The company follows charging depreciation on pro-rata basis on the assets acquired or disposed-off during the year.

29. Impairment of Financial Assets

Loan assets

The Company follows a 'three-stage' model for impairment based on changes in credit quality since initial recognition as summarized below:

• Stage 1 includes loan assets that have not had a significant increase in credit risk since initial recognition or that has low credit risk at the reporting date.

• Stage 2 includes loan assets that have had a significant increase in credit risk since initial recognition but that does not have objective evidence of impairment.

• Stage 3 includes loan assets that have objective evidence of impairment at the reporting date.

The Expected Credit Loss (ECL) is measured at 12-month ECL for stage 1 loan assets and lifetime ECL for Stage 2 and Stage 3 loan assets. ECL is the product of the probability of default, exposure at default and loss given default, which are defined as follows:

Probability of Default (PD) - The PD represents the likelihood of the borrower defaulting on its obligation either over next 12 months or over the remaining lifetime of the instrument.

Loss Given Default (LGD) – LGD represents the Company's expectation of loss given that a default occurs. LGD is expressed in percentage and it shows the proportion of the amount that will actually be lost post recoveries in case of a default.

Exposure at Default (EAD) – EAD represents the amounts, including the principal outstanding, interest accrued and outstanding letters of comfort that Company expects to be owned at the time of default

Forward-looking economic information is included in determining the 12-month and lifetime PD, EAD and LGD. The assumptions underlying the expected credit loss are monitored and reviewed on an ongoing basis.

30. Following are the bank accounts reflected in the Books of Accounts and the same is reconciled as on 31.03.2023 by the management:

31. Impairment Reserve

The Reserve Bank of India (RBI) issued Notification No. DOR (NBFC). CC .PD. No. 109/22.10.106/2019-20 dated 13th March, 2020 in respect of 'Implementation of Indian Accounting Standards' by NBFCs. In terms of the said circular, in case the impairment allowance under Ind AS 109 is lower than the provisioning required under Income Recognition, Asset Classification and Provisioning (IRACP) Norms (including standard assets provisioning) issued by RBI, the Company is required to appropriate the difference from their net profit after tax to "Impairment Reserve". No withdrawals are permitted from this reserve without prior permission from the Department of Supervision, RBI. The requirement for 'Impairment Reserve' shall be reviewed, going forward.

32. Provision on standard Assets/Impairment Loss

The company is registered with the Reserve Bank of India as a Non-Banking Financial Company, bearing registration number N-09.00266 dated 25th day of August, 2000. The company is required to comply with the regulations and guidelines issued by RBI from time to time.

As per RBI Circular bearing no. RBI/DNBR/2016-17/45, Master Direction DNBR. PD. 008/03.10.119/2016-17 the company is required to maintain "Provision on Standard Assets" at 0.40% of the total loans and advances.

Ind AS 109 requires that the company shall provide for impairment on financial assets on expected credit loss method. As per this method, the Company has to make provision for impairment loss based on the probability of default i.e., the likelihood of the borrower defaulting on its obligation either over the next 12 months or over the remaining life of the instrument. The Company is of the opinion that the

4

likelihood of default by the borrowers is very minimal. However, as the Company is a registered NBFC, it has been maintaining provision for impairment loss as prescribed by RBI.

Particulars	As at March 31, 2023	As at March 31, 2022
Aggregate amount of advance	13,97,458.61	18,34,979.83
Provision required @ 0.40% on above	5,589.83	7,339.92
Provision maintained	7,339.92	7,339.92

During FY 2021-22, the company has created additional impairment loss allowance of Rs. 818.54 Lakhs to bring overall impairment loss allowance to Rs. 7,339.92 (i.e. 0.40% on loan outstanding amount of Rs. 18,34,979.83 Lakhs as on 31.03.2022). Whereas at the end of current FY 2022-23 the company is required to maintain impairment loss of Rs. 5,589.83 only (i.e. 0.40% on loan outstanding amount of Rs. 13,97,458.61 Lakhs as on 31.03.2023). Since the existing impairment loss allowance is higher than the required amount, no additional impairment allowance is considered during the current year.

A) Debt Securities (Bonds):

- (i) The Company has raised funds through private placement of "BONDS" in the earlier years under various series, but during the current year 2022-23 the Company has not raised funds through issue of Bonds. The common features of the various series of bonds issued earlier are as under:
 - (a) The bonds carry an unconditional and irrevocable guarantee by Government of Andhra Pradesh for repayment of both interest and principal.
 - (b) The redemption of the Bonds/repayment to the bond holders is governed by a "STRUCTURED MECHANISM", through a tripartite agreement among the company, Government of Andhra Pradesh and State Bank of India Trustees to the Bond holders, which assures budgetary support from Government of Andhra Pradesh (GoAP) for servicing the bonds. The payment of outstanding interest on bonds and repayment of principal amount of bonds are met/paid by the company by way of transfer of funds into the designated lien account out of the monies transferred by the Government of Andhra Pradesh to the company pursuant to the obligations undertaken by it under the said Tripartite Agreement.
 - (c) Company has also raised funds by issuing bonds on its own and repayment of principle and interest on such bonds will be serviced by the company itself.

54. Risk Management

The Company's Board of Directors has overall responsibility for the establishment and oversight of the Company's risk management framework.

The Company's risk management policies are established to identify and analyse the risks faced by the Company, to set appropriate risk limits and controls and to monitor risks. Risk management policies and systems are reviewed regularly to reflect changes in market conditions and the Company's activities.

The Company has exposure to the following risks arising from financial instruments:

A) Credit Risk:

Credit risk is the risk of financial loss to the Company if a customer or counterparty to a financial instrument fails to meet its contractual obligations. Credit risk arises primarily from financial assets such as trade receivables, balances with banks, loans and other receivables.

Credit risk is perceived to be low since majority of the loans are given to government entities.

B) Liquidity Risk:

Liquidity risk is the risk that the Company will encounter difficulty in meeting the obligations associated with its financial liabilities that are settled by delivering cash or another financial asset. Liquidity risk is managed by the Company through effective fund management. The Company's principal sources of liquidity are cash and cash equivalents, borrowings and the cash flow that is generated from operations. The Company believes that current cash and cash equivalents and cash flow that is generated from operations are sufficient to meet requirements. Accordingly, liquidity risk is perceived to be low.

C) Market Risk:

Market Risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market prices. It comprises of the following three types of risk: currency risk, interest rate risk and price risk.

The Company has no exposure to foreign currency.

D) Interest rate Risk:

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in prevailing market interest rates.

The Company's exposure to the risk due to changes in interest rates relates primarily to the Company's short-term and long term borrowings with floating interest rates. The Company constantly monitors the credit markets and revisits its financing strategies to achieve an optimal maturity profile and financing cost. Pursuant thereto, the bonds have been repaid at option stage.
